The peasant is a worthless piece of shit but...

We can't afford to lose him right before the DY.

By the way Nastya.

Yes.

You talked about a tiger. well, right?

Come out and see

ㅋㅋㅋ

This is ...

Yes, there is another track that's over there's. It looks like a tiger's track.

And over there

German tank crew.

ㅋㅋ ㅋㅋ

Why are they here ?

Hehe. Knows.

Are you leaving ?

Yes. I cannot follow you anymore.

You being unable to need keeps win a lie to conceal your desire for battles.

You know you, are deceiving a direct order, right?

I am aware.

And the punishment for that is death by gun

But you know, we aren't exactly soldiers anymore, sir...
